Usage

shirt and blouse

Be careful not to use *blouse* when you should use *shirt*. Both men and women wear shirts, but only women wear blouses, which are usually thought of as more loose fitting and a little fancier than shirts: *Reynaldo put on a fancy shirt to go to the party, but Alma was afraid she'd get her new blouse dirty, so she put on one of the shirts she often wore to work.*

to shiver [ˈʃɪvər] v tremor

Word Partnership
